

Terry Boys Track & Field Team

WE ARE 6A STATE CHAMPIONS!

Each morning we wake up asking, "Is this a dream?" But it's not — Terry High School is officially the 6A State Champion, earning the first state title in school history across any sport. This is a monumental moment, and we couldn't be prouder of our athletes for their hard work, perseverance, and leadership on and off the track.

The pride this victory has inspired throughout Bulldog Nation is incredible. It's a legacy-making moment that will uplift and motivate generations of Terry athletes to come.

Now, it's time to celebrate this victory in a lasting way.

We are launching a fundraiser to provide State Championship Rings for every athlete and coach who made this dream a reality. These rings are more than just keepsakes — they're symbols of unity, dedication, and triumph.

We invite you to become a Ring Sponsor with a \$300 donation.

Ring Sponsors will receive:

- Recognition on our "Ring of Champions" banner at the Terry High School Athletic Facility
- A commemorative State Championship T-shirt
- Public recognition at the official Ring Ceremony
- Recognition at the first home track meet of the 2026 season

All donations are tax-deductible, and every gift — no matter the size — helps us honor this historic achievement.

Support the cause here:

Donate Now (<https://app.verticalraise.com/fundraiser/terry-hs-track-state-championships-rings-fundraiser/>)

or you can mail a check to our Booster Club:

Bulldogs Running By Faith Booster Club

We expect the rings to arrive within 10 weeks of ordering. The Ring Ceremony date will be announced soon.

Thank you for standing with our team, our school, and our community.

Run by Faith,

Coach Rod McKee
